Tom-

The Department has agreed to return all items seized, including the police report and the videotape. The items will be available to be picked up at 9:00 AM tomorrow at the property room in the Hall of Justice. (The property room closed at 4:30 p.m. today. As we informed you previously, all but two of the items were available for your pick-up as of 3:00 p.m. today, but you elected not to retrieve them.)

Given that the Department has agreed to return the items sought through the application, it is my understanding that the application and hearing will be taken off calendar.
